VSKON INFRA ENERGY PRIVATE LIMITED

Building Industrial Excellence with Trusted Solutions

BUSINESS PROPOSAL

ABOUT COMPANY

At **VSKON INFRA ENERGY PRIVATE LIMITED**, we are dedicated to delivering **end-to-end industrial solutions** that ensure efficiency, safety, and long-term sustainability.

We specialize in **turnkey projects, plant operations, shutdown & turnaround services, annual maintenance contracts**, and **skilled manpower supply** across multiple industries.

Our office and workshop in **Jamnagar, Gujarat, India** are fully equipped with modern tools, machinery, and infrastructure, managed by an experienced team of engineers, supervisors, and skilled workers.

We constantly adapt to the evolving engineering landscape, adopting the latest technologies to deliver projects of the highest quality—**on time and within budget**. Our reputation for excellence and client satisfaction has helped us become a trusted partner for major industries across India.

www.vskoninfraenergypvtltd.in

vskoninfra@gmail.com

VSKON Infra Energy Pvt. Ltd., incorporated on 5th March 2024, stands on the solid foundation of over eight years of operational excellence in the infrastructure and energy sectors. Prior to its formal registration, the company operated under a subcontracting model, successfully executing diverse mechanical and energy-related projects across India. With a cumulative turnover of ₹4crore during this period, VSKON Infra Energy earned a reputation for reliability, technical proficiency, and timely delivery. The transition to a private limited entity marks a strategic evolution—enabling the company to expand its capabilities, strengthen compliance, and pursue larger opportunities with enhanced credibility. VSKON Infra Energy Pvt. Ltd. now enters a new chapter, committed to innovation, quality, and sustainable growth in India's infrastructure landscape.

MISSION AND VISION

Our Mission

Our mission is to deliver world-class services that exceed client expectations through innovation, technical expertise, and a commitment to quality. We strive to build lasting partnerships based on trust and confidence, while fostering a culture of passion at work.

Our Vision

To be the leading provider of innovative and reliable solutions in the Marine, Chemical, Petrochemical, and Oil & Gas industries, setting the benchmark for excellence, safety, and sustainability on a global scale.

SERVICES

Comprehensive Industrial Solutions Under One Roof

At **VSKON INFRA ENERGY PRIVATE LIMITED**, we deliver a full spectrum of industrial services—covering every stage from **project conception to plant operation**. Our focus is on **quality, safety, and timely execution**, ensuring long-term reliability for every client.

Turnkey Projects

We specialize in executing complete industrial projects from start to finish — including design, engineering, procurement, construction, installation, and commissioning.

Shutdown & Turnaround Services

Our shutdown and turnaround services are designed to minimize downtime and maximize plant performance.

Annual Maintenance Contracts (AMC)

We offer customized Annual Maintenance Contracts that align with each client's operational needs.

Plant Operations & Maintenance (O&M)

Our O&M services encompass the day-to-day running of plants with a focus on reliability, efficiency, and safety.

Manpower Supply

We provide qualified and experienced manpower for short-term and long-term industrial projects.

Mechanical, Piping & Structural Works

We execute mechanical erection, piping fabrication and erection, and structural fabrication works for diverse industries such as petrochemical, power, refinery, steel, and fertilizer plants.

Subject:- Implementation of the E.S.I. Act, 1948 and Registration of Employees of the Factories and Establishments under Section 1(5) of the Act, as amended.

Dear Sir(s),

1. It is informed that under section 1(3) of the esi. act, 1948 is applicable to all factories/establishments covered under the act within the area where your factory/establishment is situated
2. It is further informed that the appropriate government has extended the provisions of the act to other establishments under section 1(5) of the act in this area
3. Under section 2 a of the act such a factory/establishment is required to register itself under the act and chapter iv thereof casts a responsibility on the principal employer thereof to get his employees registered and pay contributions in respect of these employees covered under the act.
4. On the basis of the particulars in respect of your factory/establishment submitted by you, the report of the inspection conducted by the Social Security Officer, who inspected your establishment on -NA-, your establishment falls within the purview of Section 1(5) of the Act with effect from 07-03-2024. In case, however, subsequent facts reveal that your establishment was coverable from a date prior to the date mentioned above, you shall make yourself liable to comply with the provisions of the Act from such earlier date.
5. It is requested to take immediate steps for registration of your employees by submitting declaration forms online, payment of contribution, maintenance of records etc. from the date of coverage of your factory/establishment under the act. **You are also requested to submit employer's registration form (form 01) as required under the provisions of sec.2-a of the esi act , 1948 read with regulation 10-b of the esi(general), regulations, 1950.
6. For the sake of convenience your establishment has been allotted code No **37001686180001099** which may kindly be used in all communications sent to this office and on all forms at the place indicated for the purpose. The Branch Office of the Corporation situated at **Nr. Ranjitnagar Post Office, Jamnagar - 361001** has been instructed to render necessary assistance to you in connection with registration of your employees. In case you find any difficulty or for any other purpose which may be necessary in connection with the Scheme you are requested to contact the Manager of the above Branch Office who will render necessary help in the matter.
7. A State wise list of ESI Dispensaries is available on our website www.esic.nic.in under the link Directories which can be downloaded. It is requested that publicity may be given about the Employees' State Insurance Dispensaries to enable your employees to choose their E.S.I. Dispensaries

QUALITY ASSURANCE

Quality Assurance (QA) is woven into the very fabric of our organization, representing our unyielding dedication to delivering products and services of the utmost quality. We hold ourselves to the highest standards, striving for excellence in all aspects of our operations. At the heart of our QA philosophy lies a deep commitment to our customers. Their satisfaction is our ultimate goal, and we actively seek their input to fine-tune our offerings to their needs. Our QA approach is proactive, emphasizing prevention over correction. We meticulously assess potential issues at every stage of development, ensuring that problems are nipped in the bud before they can impact our clients. Continuous improvement is a guiding principle, driving us to refine our processes and products through regular audits, evaluations, and feedback loops. Within our organization, quality control is paramount. We implement stringent testing, inspection, and validation procedures to guarantee that our products and services consistently meet our predefined quality criteria. Our team members are essential stewards of quality, and we invest in their training and development to equip them with the skills and knowledge necessary to maintain and elevate our standards.

VALUES

1. Integrity: We conduct ourselves with the highest ethical standards, maintaining honesty, transparency, and accountability in all our actions.

2. Customer-Centric: We prioritize our customers' needs and satisfaction, continuously striving to deliver exceptional products and services.

3. Innovation: We encourage creativity and forward-thinking, embracing change and seeking innovative solutions to challenges.

4. Teamwork: We value collaboration, diversity, and mutual respect among our team members, fostering a supportive and inclusive work environment.

5. Excellence: We are committed to delivering quality and excellence in all aspects of our work, setting high standards for performance.

6. Sustainability: We are and Environmentally responsible
Dedicated to sustainable practices that minimize our impact on the planet and contribute to a better future.

HSE POLICY (HEALTH, SAFETY, AND ENVIRONMENT)

At VSKON INFRA ENERGY PRIVATE LIMITED, the health, safety, and well-being of our employees, customers, and stakeholders are of paramount importance. We are committed to maintaining a safe and healthy workplace by identifying and managing risks proactively. Our goal is to prevent accidents, injuries, and occupational illnesses through continuous improvement in safety practices and compliance with all relevant laws and regulations.

We believe that a strong safety culture begins with leadership and the active participation of every individual in the organization. We empower our employees through regular training, awareness programs, and the necessary resources to work safely and responsibly. Environmental stewardship is integral to our operations. VSKON INFRA ENERGY PRIVATE LIMITED is dedicated to minimizing the environmental impact of our manufacturing processes by promoting sustainable resource use, reducing waste, and preventing pollution. We continuously seek innovative solutions that support eco-friendly practices and contribute to the conservation of our natural environment.

We are committed to regularly reviewing and improving our HSE management system to meet emerging challenges and stakeholder expectations. By fostering a culture of accountability and continuous learning, we aim to achieve excellence in health, safety, and environmental performance, ensuring a safer workplace and a sustainable future for all.
